SECTION 2. The purposes of this Corporation shall be to inculcate just and equitable principles in the business of insurance; to establish and maintain uniformity among its members in policies or contracts of insurance, and to acquire, preserve and disseminate valuable information relative to the business in which they are engaged.

SECTION 3. Thirty members of the Board shall constitute a quorum for the transaction of business.

SECTION 4. The officers of this Corporation shall be a President, a Vice-President, a Secretary, a Treasurer, and such others as may be provided for in the By-Laws. They shall hold their respective offices for one year, and until others may be regularly chosen in their places. The first election for officers shall be held on the third Monday of May, eighteen hundred and sixty-seven; and future elections shall be held annually, at such time and place as may be provided for in the By-Laws. To enable a person to vote at

the first election, he shall present authority from the Company which he represents to join this Corporation and to vote for its officers. Such elections shall be made by ballot, under the inspectors, who shall be members of this Corporation and appointed thereby; and the persons having a majority of the votes of all members present and voting, shall be elected to the several offices designated on the ballots. SECTION 5. The said Corporation shall have power to make all needful By-Laws, not contrary to the provisions of this Act, or the Constitution and Laws of this State or of the United States.

Nothing in this Act, however, shall warrant any interference with the action of the firemen in their duties in extinguishing a fire; and the said superintendent and the members of said patrol, while on duty at a fire, shall in all respects be subordinate to and under the con-

trol of the Board of Metropolitan Fire Commissioners.

SECTION 7. In the month of June, eighteen hundred and sixty-seven, and in the month of June of every second year thereafter, there shall be held a meeting of the Corporation hereby created, of which ten days' previous notice shall be inserted in at least two newspapers published in the City of New York, at which meeting each incorporated insurance company or association doing business in the City of New York, whether its officers or its agents be members of this Corporation or not, shall have the right to be represented by one of such officers or by its agent, and each organization represented at such meeting shall be entitled to one vote. A majority of the whole number so represented shall have power to decide upon the question of sustaining the Fire Patrol hereinbefore mentioned, and of fixing the maximum amount of expenses which will be incurred therefor during the two fiscal years next to ensue, which amount shall in no case exceed two per centum on the aggregate of premiums returned as received, as provided in Section 8 of this Act; and the whole of such amount, or so much thereof as may be necessary, may be assessed upon the organizations belonging to this Corporation, and upon all other organizations and agencies, as hereinbefore mentioned, in proportion to the several amounts of premiums returned as received by each, as hereinafter provided, and such assessment shall be collectible by this Corporation in any court of law in the City or State of New York having jurisdiction.

SECTION 8. To provide for the payment of persons employed under the provisions of this Act, and to maintain the apparatus for saving life and property contemplated, this Corporation is empowered to require a statement to be furnished, semi-annually, by

SECTION 9. It shall be lawful for the Treasurer or other appointed officer of this Corporation, within ten days after the first day of January and first day of July, in each year, by written or printed demand signed by him, to require from every corporation, association, underwriter, agent, or person engaged in the business of Fire Insurance in the City and County of New York, the statement provided for in the last preceding section of this Act. Such demand may be delivered personally at the office of such corporation, association, agent, or person, or at the residence of the proper officer of such corporation, association, agent or person; and every officer of such corporation or association, and every individual agent, or underwriter, who shall, for thirty days after such demand, neglect to render the account, shall forfeit fifty dollars for the use of the Corporation created by this Act; and he shall also forfeit, for their use, twenty-five dollars in addition for every day he shall so neglect after the expiration of the said thirty days; and such additional penalty may be computed and recovered up to the time of the trial of the suit for the recovery thereof, which penalty may be sued for and recovered, with costs of suit, in any court of record within this State having juris-

diction, by and in the name of the Corporation hereby created.
